Ninety-two dogs of the 635th SPS, U-Tapao RTAB are now identified on a new memorial at the Gunter Annex, Heritage Hall, Maxwell AFB, Alabama. The memorial was dedicated on November 9, 2002, is the only memorial of its kind in the world where United States Military Working Dogs are identified by their name and tattoo number. The funds were raised by their handlers. This is the final resting place for our canine partners - "We brought them home"!
